

## Limitation of Liability – Disclaimer

The contents of this website, the IWIMED short guidelines, the IWIMED short guidelines for patients, and the research summaries, “publications” are created with the greatest possible care according to the latest medical knowledge and guidelines. IWIMED GmbH is not liable for the correctness, completeness, and topicality of the content provided. The use of the website’s content and other offers on this website are at the user’s own risk. The use of the IWIMED GmbH website without registration does not create any contractual relationship between the user and the provider.

The content and information made available are academic in nature and for information only. IWIMED GmbH does not make diagnoses and explicitly does not issue any advice or recommendations regarding diagnostics or therapy of specific diseases. In no way, the service replaces a doctor’s visit. IWIMED GmbH does not assume any liability for information about procedures, applications, application forms, and dosage. Each use, application, or dosage is at the user’s own risk. Such information must be reviewed for correctness by the respective user based on other references (manufacturer information, package insert, etc.). Unless explicitly stated otherwise, the given therapy recommendations and dosages relate to adults. All technical information made available by IWIMED GmbH is gathered by experts, but they are not a substitute for personal and professional advice or treatment by trained and recognized professionals.

Despite careful examination of any links or embedding, IWIMED GmbH takes no liability for the content of external websites. For the content of external sites, solely their operators are responsible, even if these are linked to or embedded in [www.iwimed.at](http://www.iwimed.at) and/or their sub-pages.

The content published on this website is subject to Austrian copyright and ancillary copyright law. Each utilization not permitted by the Austrian copyright and ancillary copyrights requires the previous written consent of the provider or the respective rights holder. This applies especially to copying, editing, translating, storing, processing or reproducing of content in databases or other electronic media and systems. The unauthorized reproduction or transfer of individual content or complete pages is not permitted and is punishable. The presentation of this website and its sub-pages in external frames is only permitted with written permission.
